ANSWER

**THE MINISTER OF STATE IN THE
MINISTRY OF HOUSING AND URBAN AFFAIRS**

(SHRI KAUSHAL KISHORE)

- (a) to (d): As per Census of India 2011, a total of 1,08,227 slums existed in the country with a total population of 6.54 crore. The State-wise number of people living in urban slums and in metropolitan cities is at Annexure-I. The number of slums and population living in slums in 10 most Populus cities is at Annexure-II.

‘Land’ and ‘Colonisation’ are State subjects. Schemes related to housing for urban poor including slum dwellers are implemented by States/Union Territories (UTs). However, Ministry of Housing and Urban Affairs (MoHUA), under the vision of ‘Housing for All’, is supplementing the efforts of States/UTs by providing Central Assistance under Pradhan Mantri Awas Yojana - Urban (PMAY-U) since 25.06.2015 for construction of houses for all eligible beneficiaries including slum dwellers. The scheme is implemented through four verticals i.e., Beneficiary Led Construction (BLC), Affordable Housing in Partnership (AHP), In-Situ Slum Redevelopment (ISSR) and Credit Linked Subsidy Scheme (CLSS). As on 12.12.2022, 1.20 crore houses have been sanctioned for the eligible households including slum dwellers. Out of this, 65.5 lakh have been completed and delivered to the beneficiaries and remaining are at various stages of construction/grounding. Out of 1.20 crore, 17.77 lakh houses under BLC/AHP/ISSR verticals of PMAY-U have been sanctioned for slum dwellers. State/UT wise details of houses sanctioned, grounded and completed under PMAY-U are at Annexure-III.
