**ANSWER**

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY  
WELFARE  
(DR. BHARATI PRAVIN PAWAR)**

(a) to (c): With a view to improve health facilities in the country, the Government has taken several initiatives/schemes during the last 5 years, which include, Ayushman Bharat – Health and Wellness Centre (AB-HWC), PM Ayushman Bharat Health Infrastructure Mission (PM-ABHIM), LaQshya (Labour room & Quality Improvement Initiative), various initiatives under maternal and child health programme, MusQan - Quality improvement initiative of Child Health services, PM –Ayushman Bharat Digital Mission (PM-ABDM), Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) and Pradhan Mantri National Dialysis Programme.

This Ministry administers a Centrally Sponsored Scheme (CSS) since 2014, for ‘Establishment of new Medical Colleges attached with existing district/referral hospitals’ with preference to underserved areas and aspirational districts, where there is no existing Government or private medical college with fund sharing between the Centre and State Governments in the ratio of 90:10 for North Eastern and Special Category States and 60:40 for others. Under the Scheme, 157 medical colleges have been approved in three phases, including 23 Medical Colleges in Rajasthan. The details of Medical Colleges approved under the Scheme are at Annexure-I.

Further, under the CSSs for Upgradation of existing State Government/Central Government medical colleges to increase MBBS & Post Graduate seats, increase of 700 MBBS seats and 1295 Post Graduate seats has been approved for the State Government of Rajasthan. Under the Pradhan Mantri Swasthya Suraksha Yojana, 04 projects have been sanctioned in Rajasthan under the Scheme for upgradation of Government Medical Colleges through construction of Super Specialty Blocks/ Trauma Care Centres etc. The details of Central share released by the Ministry of Health & Family Welfare to the State of Rajasthan under the said Schemes during the last five years are at Annexure-II.

(d): The Government enacted by the National Medical Commission Act, 2019 with a view to provide for a medical education system that improves access to quality and affordable medical education, ensures availability of adequate and quality medical professionals in the country, promotes equitable and universal healthcare, ensures an objective periodic and transparent assessment of medical institutions, enforces high ethical standards in medical services and provides an effective grievance redressal mechanism.

The National Medical Commission has notified the Minimum Requirements For Annual M.B.B.S Admissions Regulation, 2020; the Prevention And Prohibition of Ragging In Medical College And Institutions Regulations, 2021; the Compulsory Rotating Medical Internship Regulations, 2021; the Foreign Medical Graduate Licentiate Regulations, 2021; Teachers Eligibility Qualification In Medical Institutions Regulations, 2022 and the Establishment of Medical College Regulation (Amendment), 2020. It has issued guideline for mandatory capping of fees for 50% MBBS and postgraduate medical seats in private medical colleges and deemed to be universities. In order to improve availability of faculty DNB qualification has been recognized for appointment as teaching faculty and age limit for appointment/ extension/ re-employment in medical colleges has been increased upto 70 years.
