(c) & (d) As per the “Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013 (MS Act, 2013)” manual scavenging is a prohibited activity in the country with effect from 6.12.2013. Any person or agency who engages any person for manual scavenging in violation of the provisions of the MS Act, 2013 is punishable under Section 8 of the above Act, with imprisonment upto 2 years or fine upto Rs. One Lakh or both.

There is no report of people currently engaged in manual scavenging in the country.

(e) Under the Swachh Bharat Mission, since October 2, 2014, more than 11.06 crore sanitary toilets have been constructed in rural areas and over 62.79 lakh in urban areas and insanitary toilets have been converted into sanitary toilets.
