THE MINISTER OF STATE IN THE MINISTRY OF HOUSING AND URBAN POVERTY ALLEVIATION (KUMARI SELJA): (a) A Technical Group on Estimation of Urban Housing Shortage was constituted by the Central Government. The Group estimated a housing shortage of 24.71 million dwelling units at the end of the Tenth Five Year Plan. The Technical Group has estimated the total Housing shortage during the entire Eleventh Five Year Plan as 26.53 million dwelling units.

(b) The Government has launched the Jawaharlal Nehru National Urban Renewal Mission (JNNURM) to assist cities and towns in taking up housing and infrastructural facilities for the urban poor in 63 cities in the country under the Basic Services to the Urban Poor (BSUP) Programme. Other cities/towns are covered under Integrated Housing and Slum Development Programme (IHSDP). Both BSUP and IHSDP are under implementation since December, 2005.
