ANSWER

THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES

(a) & (b): The Ministry of Food Processing Industries (MoFPI) is implementing a scheme namely “Integrated Cold Chain and Value Addition Infrastructure (CCI)” since 2008 for supporting development of cold chain infrastructure in the country. This is presently a sub-scheme of ‘Pradhan Mantri Kisan SAMPADA Yojana (PMKSY)’ and a demand-driven scheme wherein project proposals are invited from interested individuals/ entities through Expression of Interest (EoI) floated from time to time by the Ministry. Approvals to the proposals received against EoI are accorded by the Ministry on merit basis amongst proposals found eligible as per eligibility and assessment criteria stipulated in the scheme guidelines. MoFPI has so far approved 376 such projects across different States/ UTs with project cost of Rs.10713.13 crores, approved grants-in-aid of Rs.2848.39 crores, processing capacity of 152.18 lakh MT/annum and preservation capacity of 31.51 Lakh MT/annum.
