ANSWER

THE MINISTER OF STATE FOR TEXTILES
(SMT. DARSHANA JARDOSH)

(a) & (b): Evertop Textile & Apparel Complex Private Limited has proposed to set up a unit in Telangana under the Production Linked Incentive (PLI) Scheme for Textiles. The scheme has two years of gestation period (FY: 2022-23 and FY: 2023-24) for completion of threshold investment. Thereafter, the participant company will be eligible to get incentives on achieving the threshold investment and threshold/incremental turnover.

(c): Government has also approved setting up of 7 (seven) PM Mega Integrated Textile Regions and Apparel (PM MITRA) Parks at Tamil Nadu, Telangana, Karnataka, Madhya Pradesh, Uttar Pradesh, Gujarat and Maharashtra to develop world class infrastructure including plug and play facility. These parks will enable the textile industry to become globally competitive, attract large investment and boost employment generation.
