**ANSWER**

THE MINISTER OF STATE IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI RAJEEV CHANDRASEKHAR)

- (a) Aatmanirbhar Skilled Employees Employer Mapping (ASEEM) portal, a directory of skilled workforce, is available for users and the portal is envisaged to be subsumed in Skill India Digital.
- (b) As on 31.03.2023, there is around 29 lakh data of candidates available on ASEEM. The State-wise details of candidates are not available.
- (c) The ASEEM Portal is a platform that matches supply of skilled workforce with the market demand, thereby facilitating better livelihood opportunities for youth including migrants and availability of ready skilled manpower to employers. ASEEM was never envisaged as a Placement Portal, but developed for mapping the Skilled Candidates with Employers.
- (d) The reason for the delay in the establishment of PMKKs was mainly due to operational challenges faced by the training partners because of the COVID-19 pandemic.
- (e) The State-wise number of beneficiaries (candidates) trained in PMKKs under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) are placed at **Annexure**.
- (f) The Ministry has taken various measures to undo delay in the establishment of PMKKs. Continuous monitoring and follow up are being done for setting-up of PMKKs. National Skill Development Corporation under the aegis of Ministry conducted a series of consultative workshops to identify the corrective measures to improve the sustainability of PMKKs.
