ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a): Startup India is an initiative of the Government and not a Scheme. The Government recognises eligible entities as ‘startups’ under the initiative. As per eligibility conditions prescribed under G.S.R. notification 127 (E) dated 19th February 2019, entities are recognised as startups under Startup India initiative by the Department for Promotion of Industry and Internal Trade (DPIIT). Since the launch of Startup India initiative in 2016, DPIIT has recognised 92,683 entities as startups as on 28th February 2023.

From the State of Uttar Pradesh, 8,579 entities have been recognised as startups by the DPIIT since 2016. The district-wise details of recognised startups from the State of Uttar Pradesh are placed at **Annexure-I**.

- (b): The financial assistance provided by various banks to the DPIIT recognised startups is not centrally maintained by the Government.

- (c): As on 28th February 2023, the DPIIT recognised startups from the State of Uttar Pradesh have self-reported to have created 59,269 direct jobs in the last three years viz. 2020, 2021 and 2022. The year-wise distribution is as under:

Year	Number of direct jobs created by DPIIT recognised startups (self-reported)
2020	16,038
2021	20,105
2022	23,126
