ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)**

(a) to (d): Migration of workers from one state to another state is a continuous process, and dynamic in nature. As per Census 2011 data, the total number of inter-State migrant workers in the country are 4,14,22,917. State-wise number of workers who migrated to other States in search of job is Annexure-I.

Ministry of Labour & Employment has launched e-SHRAM portal, a National Database of the Unorganised Workers on 26th August, 2021 for registration of unorganised workers seeded with Aadhaar. To increase the number of registrations, the matter is taken up with all the States/UTs from time to time. The registration facility is available at over 4 lakh CSC centres across the country. State Seva Kendras have also been taken on board. Further, CSC organises awareness camps (including night camps) at various places for mobilisation of workers. e-SHRAM portal has also been on boarded on UMANG App for easy registration through mobile.

As on 31.01.2023, more than 28.56 crore unorganised workers have been registered on the portal and the State-wise detail is attached as Annexure-II.

Annexure referred to in reply to part (a) to (d) of Rajya Sabha Unstarred Question No. 881 for 09.02.2023 raised by Shri Dr. Radha Mohan Das Agrawal regarding Registration of migrant workers from other States.
