ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)**

(a) & (b): eShram portal captures workers' address at the time of registration, based on which workers are mapped with their respective States/ Union Territories (UTs). As on 2nd February 2023, a total of 82.54 lakh unorganised workers from the State of Chhattisgarh have been registered on eShram portal.

eShram has been integrated with National Career Service (NCS) Portal for providing job opportunities to unorganised workers. It has also been integrated with Pradhan Mantri Shram-Yogi Maandhan (PM-SYM) through which pension benefits may be availed by the unorganised workers. Guidelines for "Data Sharing with the States/ UTs" has been shared with all the States/ UTs and based on the guidelines data sharing with the States/UTs has been initiated.
