ANSWER

THE MINISTER OF STATE FOR JAL SHAKTI
(SHRI RAJEEV CHANDRASEKHAR)

(a) & (b) Government of India is committed to make provision for safe & potable tap water supply in adequate quantity, of prescribed quality and on a regular & long-term basis to all rural households in the country. Towards this end, the Government of India launched the Jal Jeevan Mission (JJM), to be implemented in partnership with states, in August 2019. Drinking Water is a state subject, and hence, the responsibility of planning, approval, implementation, operation, and maintenance of drinking water supply schemes, including those under the Jal Jeevan Mission, lies with State/UT Governments. The Government of India supports the States by providing technical and financial assistance.

Significant progress has been made in the country since the launch of Jal Jeevan Mission, towards enhancing access to tap water to rural households. At the start of Jal Jeevan Mission in August 2019, only 3.23 Crore (16.8%) rural households were reported to have tap water connections. So far, as reported by States/ UTs as on 12.12.2023, around 10.57 Crore additional rural households have been provided with tap water connections under JJM. Thus, as on 12.12.2023, out of 19.24 Crore rural households in the country, more than 13.80 Crore (71.72%) households are reported to have tap water supply in their homes. Year-wise details of tap water connections provided under JJM in the country and in Odisha are as follows:

(Numbers in lakh)

Particulars	Odisha	India
Total rural HHs as on 12.12.2023	88.64	19,24.44

Particulars		Odisha	India
Rural HHs with tap water supply as on 15.08.2019		3.11 (3.51%)	3,23.63 (16.82%)
Rural HHs with tap water supply since launch of JJM	2019-20	4.37	82.62
	2020-21	15.47	3,22.62
	2021-22	17.47	2,01.34
	2022-23	12.22	2,33.26
	2023-24 as on 12.12.2023	8.17	2,16.83
Rural HHs with tap water supply as on 12.12.2023		60.82 (68.62%)	13,80.12 (71.72%)

A number of steps have been taken to plan and implement JJM in the whole country including Odisha, with speed, *inter alia*, including joint discussions and finalization of saturation plans and annual action plans (AAP) of States/ UTs, regular review of implementation, workshops/ conferences/ webinars for capacity building, training, knowledge sharing, field visits by multi-disciplinary team to provide technical support, etc. A detailed Operational Guideline for the implementation of JJM; Margdarshika for Gram Panchayats & VWSCs to provide safe drinking water in rural households and Guidelines on a special campaign to provide piped water supply in anganwadi centres, ashramshalas and schools have been shared with States/ UTs to facilitate planning and implementation of Jal Jeevan Mission. For online monitoring, JJM–Integrated Management Information System (IMIS) and JJM–Dashboard has been put in place. Provision has also been made for transparent online financial management through Public Financial Management System (PFMS).

Further, under JJM, the funds are allocated and released State wise. Further distribution/ allocation of funds is done by respective States/ UTs and district-wise and project-wise fund allocations are not maintained centrally. State/ UT-wise details of Central fund allocated, drawn and utilization reported by the States/ UTs, *inter alia* including Odisha, under Jal Jeevan Mission in last two years and current year (as on 12.12.2023) are **annexed**.
