ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY
WELFARE
(DR. BHARATI PRAVIN PAWAR)**

(a) to (e): The Medical Counselling Committee (MCC) of Directorate General of Health Services (DGHS) conducts the counselling for seats of (UG/PG) courses as per the scheme devised by the Hon'ble Supreme Court of India.

In the current academic year, the total number of vacant UG seats is 485 as informed by National Medical Commission. The percentile has been dropped to zero for PG admission to fill up the vacant seats, and therefore every candidate who appeared in NEET-PG becomes eligible to participate in counselling. Special stray vacancy rounds have been conducted for PG counselling in the current academic year to fill the seats. 247 seats under All India Quota for PGs have been reported to be vacant.
