(a) to (d): The data on Employment and Unemployment is collected through Periodic Labour Force Survey (PLFS) which is conducted by the Ministry of Statistics & Programme Implementation (MoSPI) since 2017-18. The survey period is July to June of next year.

As per the latest available Annual PLFS Reports, the estimated Unemployment Rate (UR) and Worker Population Ratio (WPR) on usual status for persons of age 15 years and above during the years 2020-21 to 2022-23 is as follows:

Years	UR (in %)	WPR (in %)
2020-21	4.2	52.6
2021-22	4.1	52.9
2022-23	3.2	56.0
