TO BE ANSWERED ON FRIDAY, THE 08TH DECEMBER, 2023.**

REVAMPING OF STARTUPS

699 Shri S. Selvaganabathy:

Will the Minister of Commerce and Industry be pleased to state:

- (a) the total number of startups that left the country during the last five years, year-wise;
- (b) the total number of jobs lost due to that;
- (c) the details of measures taken by Government to bring back the startups and to accommodate unemployed persons;
- (d) the details of investments raised by the same; and
- (e) the proposed measures in this respect to boost the startup culture?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a) & (b):** Such information is not centrally maintained by the Government.
- (c) to (e):** The Government is undertaking various measures to boost the startup ecosystem in the country and make India an attractive destination for startups. To create a holistic environment which is conducive for growth, the Government is implementing programs and schemes specific to promotion of startup ecosystem under the Startup India initiative. The list of such measures undertaken by the Government under the Startup India initiative is placed as **Annexure-I**.

Also, with respect to onshoring (bringing back) of Indian startups, the Government has notified the International Financial Services Centres Authority (IFSCA) to develop and regulate financial services, financial institutions and financial products in the International Financial Services Centre (IFSC). The mandate of IFSCA is to create a world class international financial center to enable onshoring of the activities that are currently carried out in offshore financial centres by Indian corporate entities. Through such measures, the IFSCA is actively engaged in promoting onshoring of Indian innovation i.e. redomiciling Indian startups currently domiciled abroad to the GIFT City. Specifically with respect to investments raised, it is informed that such information is private and specific to respective organisations, hence, is not centrally compiled by the Government.

ANNEXURE REFERRED TO IN REPLY TO PARTS (c) to (e) OF THE RAJYA SABHA UNSTARRED QUESTION NO. 699 FOR ANSWER ON 08.12.2023.

The details of various programs undertaken by the Government to promote startups under Startup India initiative across the country are as under:

- 1. Startup India Action Plan:** An Action Plan for Startup India was unveiled on 16th January 2016. The Action Plan comprises of 19 action items spanning across areas such as “Simplification and handholding”, “Funding support and incentives” and “Industry-academia partnership and incubation”. The Action Plan laid the foundation of Government support, schemes and incentives envisaged to create a vibrant startup ecosystem in the country.
- 2. Startup India: The Way Ahead:** Startup India: The Way Ahead at 5 years celebration of Startup India was unveiled on 16th January 2021 which includes actionable plans for promotion of ease of doing business for startups, greater role of technology in executing various reforms, building capacities of stakeholders and enabling a digital Aatmanirbhar Bharat.
- 3. Startup India Seed Fund Scheme (SISFS):** Easy availability of capital is essential for entrepreneurs at the early stages of growth of an enterprise. The capital required at this stage often presents a make-or-break situation for startups with good business ideas. The Scheme aims to provide financial assistance to startups for proof of concept, prototype development, product trials, market entry and commercialization. Rs. 945 crore has been sanctioned under the SISFS Scheme for period of 4 years starting from 2021-22.
- 4. Fund of Funds for Startups (FFS) Scheme:** The Government has established FFS with corpus of Rs. 10,000 crore, to meet the funding needs of startups. DPIIT is the monitoring agency and Small Industries Development Bank of India (SIDBI) is the operating agency for FFS. The total corpus of Rs. 10,000 crore is envisaged to be provided over the 14th and 15th Finance Commission cycles based on progress of the scheme and availability of funds. It has not only made capital available for startups at early stage, seed stage and growth stage but also played a catalytic role in terms of facilitating raising of domestic capital, reducing dependence on foreign capital and encouraging home grown and new venture capital funds.
- 5. Credit Guarantee Scheme for Startups (CGSS):** The Government has established the Credit Guarantee Scheme for Startups for providing credit guarantees to loans extended to DPIIT recognized startups by Scheduled Commercial Banks, Non-Banking Financial Companies (NBFCs) and Venture Debt Funds (VDFs) under SEBI registered Alternative Investment Funds. CGSS is aimed at providing credit guarantee up to a specified limit against loans extended by Member Institutions (MIs) to finance eligible borrowers viz. DPIIT recognised startups.

6. **Regulatory Reforms:** Over 55 regulatory reforms have been undertaken by the Government since 2016 to enhance ease of doing business, ease of raising capital and reduce compliance burden for the startup ecosystem.
7. **Ease of Procurement:** To enable ease of procurement, Central Ministries/ Departments are directed to relax conditions of prior turnover and prior experience in public procurement for all DPIIT recognised startups subject to meeting quality and technical specifications. Further, Government e-Marketplace (GeM) also facilitates and promotes procurement of products and services by the Government from startups.
8. **Self-Certification under Labour and Environmental laws:** Startups are allowed to self-certify their compliance under 9 Labour and 3 Environment laws for a period of 3 to 5 years from the date of incorporation.
9. **Income Tax Exemption for 3 years:** Startups incorporated on or after 1st April 2016 can apply for income tax exemption. The recognized startups that are granted an Inter-Ministerial Board Certificate are exempted from income-tax for a period of 3 consecutive years out of 10 years since incorporation.
10. **Faster Exit for Startups:** The Government has notified Startups as ‘fast track firms’ enabling them to wind up operations within 90 days vis-a-vis 180 days for other companies.
11. **Exemption for the Purpose Of Clause (VII)(b) of Sub-section (2) of Section 56 of the Act (2019):** A DPIIT recognized startup is eligible for exemption from the provisions of section 56(2)(viib) of the Income Tax Act.
12. **Support for Intellectual Property Protection:** Startups are eligible for fast-tracked patent application examination and disposal. The Government launched Start-ups Intellectual Property Protection (SIPP) which facilitates the startups to file applications for patents, designs and trademarks through registered facilitators in appropriate IP offices by paying only the statutory fees. Facilitators under this Scheme are responsible for providing general advisory on different IPRs, and information on protecting and promoting IPRs in other countries. The Government bears the entire fees of the facilitators for any number of patents, trademark or designs, and startups only bear the cost of the statutory fees payable. Startups are provided with an 80% rebate in filing of patents and 50% rebate in filling of trademark vis-a-vis other companies.
13. **Startup India Hub:** The Government launched a Startup India Online Hub on 19th June 2017 which is one of its kind online platform for all stakeholders of the entrepreneurial ecosystem in India to discover, connect and engage with each other. The Online Hub hosts Startups, Investors, Funds, Mentors, Academic Institutions, Incubators, Accelerators, Corporates, Government Bodies and more.

- 14. International Market Access to Indian Startups:** One of the key objectives under the Startup India initiative is to help connect Indian startup ecosystem to global startup ecosystems through various engagement models. This has been done through international Government to Government partnerships, participation in international forums and hosting of global events. Startup India has launched bridges with 20 countries that provides a soft-landing platform for startups from the partner nations and aid in promoting cross collaboration.
- 15. Startup India Showcase:** Startup India Showcase is an online discovery platform for the most promising startups of the country chosen through various programs for startups exhibited in a form of virtual profiles. The startups showcased on the platform have distinctly emerged as the best in their fields. These innovations span across various cutting-edge sectors such as Fintech, EnterpriseTech, Social Impact, HealthTech, EdTech, among others. These startups are solving critical problems and have shown exceptional innovation in their respective sectors. Ecosystem stakeholders have nurtured and supported these startups, thereby validating their presence on this platform.
- 16. National Startup Advisory Council:** The Government in January 2020 notified constitution of the National Startup Advisory Council to advise the Government on measures needed to build a strong ecosystem for nurturing innovation and startups in the country to drive sustainable economic growth and generate large scale employment opportunities. Besides the ex-officio members, the council has a number of non-official members, representing various stakeholders from the startup ecosystem.
- 17. National Startup Awards (NSA):** National Startup Awards is an initiative to recognize and reward outstanding startups and ecosystem enablers that are building innovative products or solutions and scalable enterprises, with high potential of employment generation or wealth creation, demonstrating measurable social impact. Handholding support is provided to all the finalists across various tracks viz. Investor Connect, Mentorship, Corporate Connect, Government Connect, International Market Access, Regulatory Support, Startup Champions on Doordarshan and Startup India Showcase, etc.
- 18. States' Startup Ranking Framework (SRF):** States' Startup Ranking Framework is a unique initiative to harness strength of competitive federalism and create a flourishing startup ecosystem in the country. The major objectives of the ranking exercise are facilitating states to identify, learn and replace good practices, highlighting the policy intervention by states for promoting startup ecosystem and fostering competitiveness among states.
- 19. Startup Champions on Doordarshan:** Startup Champions program on Doordarshan is a one-hour weekly program covering stories of award winning/ nationally recognised startups. It is telecasted in both Hindi and English across Doordarshan network channels.

- 20. Startup India Innovation Week:** The Government organises Startup India Innovation week around the National Startup Day i.e., 16th January, with the primary goal was to bring together the country's key startups, entrepreneurs, investors, incubators, funding entities, banks, policymakers, and other national/international stakeholders to celebrate entrepreneurship and promote innovation.
- 21. ASCEND:** Under ASCEND (Accelerating Startup Caliber & Entrepreneurial Drive), sensitization workshops on startups and entrepreneurship were conducted for all eight North Eastern States with the objective to capacitate and augment knowledge on key aspects of entrepreneurship and continue efforts towards creating a robust startup ecosystem in these States.
- 22. The Startup India Investor Connect Portal** has been co-developed under the Startup India Initiative with SIDBI, serving as an intermediary platform that links startups and investors in order to help entrepreneurs from various industries, functions, stages, regions, and backgrounds in mobilizing capital. The portal has been built with the aim to enable in particular; early-stage startups located anywhere in the country to showcase themselves to leading investors/ venture capital funds.
- 23. National Mentorship Portal (MAARG):** In order to facilitate accessibility to mentorship for startups in every part of the country, the Mentorship, Advisory, Assistance, Resilience, and Growth (MAARG) program has been developed and launched under the Startup India Initiative.
