

**GOVERNMENT OF INDIA
MINISTRY OF HEALTH AND FAMILY WELFARE
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**RAJYA SABHA
UNSTARRED QUESTION NO: 421
TO BE ANSWERED ON 06.02.2024**

EXPANSION OF ABDM

**421 SHRI KRISHAN LAL PANWAR:
DR. SUDHANSHU TRIVEDI:**

Will the Minister of **HEALTH and FAMILY WELFARE** be pleased to state:

- (a) the steps Government proposes to take to expand implementation of Ayushman Bharat Digital Mission (ABDM) in the country;
- (b) whether Government has devised any strategy to on-board the States; and
- (c) the details of the type of technical and financial support being provided to the States currently, the details as to the impact and implementation of the e-Sanjeevani initiative, State-wise?

**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY
WELFARE
(PROF. SATYA PAL SINGH BAGHEL)**

(a) to (c) Ayushman Bharat Digital Mission (ABDM) was launched in September 2021. ABDM aims to create an online platform enabling interoperability of health data within the health ecosystem. The aim of this mission is to create an Electronic Health Record (EHR) of every citizen.

ABDM envisages to develop the backbone necessary to support the integrated digital health infrastructure of the country. The core components of the Mission include Ayushman Bharat Health Account (ABHA) for citizens, Health Professional Registry (HPR), Health Facility Registry (HFR) and ABHA Application. The digital health ecosystem created by ABDM supports continuity of care across primary, secondary and tertiary healthcare in a seamless manner.

ABDM, is a central sector scheme with an outlay of Rs 1600 crore for 5 years from 21-22 to 25-26. Under the scheme, funding for Human Resources, Capacity Building (CB) & Information Education and Communication (IEC) activities is provided to all States

(including Karnataka) and Union Territories (UTs) to drive this mission and to facilitate necessary handholding support in on-boarding all the facilities/ health professionals and to integrate all state health programmes/ solutions under ABDM ecosystem. During FY 2021-22, 2022-23 and 2023-24 (Till 31st January, 2024), Rs 46.97 Crore has been released to all States/UTs.

Ministry of Health and Family Welfare (MoHFW) has developed a telemedicine application known as National Telemedicine Service, eSanjeevani which provides doctor to doctor and patient to doctor consultations.

This application works on a hub and spoke model. Through the hub and spoke model, doctors including specialists can provide services to Ayushman Aarogya Mandirs (AAMs) (earlier known as Health and Wellness Centers) in rural areas. Further people in remote and rural areas can also avail services through OPD module of eSanjeevani. As on 30th January, 2024, a total of 20,41,36,598 teleconsultations have been completed through eSanjeevani platform. This service is operational at more than 1,35,759 Ayushman Aarogya Mandirs (AAMs). State-wise eSanjeevani consultation detail is at Annexure.
