**ANSWER**

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS  
(SMT. MEENAKASHI LEKHI)

(a to d) Yes. Since March 2022, Government of India (GoI) has sent 15 consignments of humanitarian assistance weighing about 117 metric tons which *inter alia* include medicines, medical equipment, blankets, tents, tarpaulin, solar lamps, dignity kits, sleeping mats, and diesel generator sets. GoI also provided financial assistance for reconstruction, remodeling and refurbishment of a school (Kyiv Gymnasium of Oriental Language No. 1) in Ukraine. GoI also extended financial assistance for training of teachers from three schools in Kyiv aimed at restoring and supporting the psychological health of Ukrainian children and youth.

As a part of humanitarian and reconstruction assistance, GoI has offered to implement High Impact Community Development Projects (HICDPs) as per the requirements of the local communities in Ukraine. Other requests received from Ukraine, from time to time, are processed on a case-by-case basis.
