ANSWER

THE MINISTER OF AGRICULTURE AND FARMERS WELFARE

(SHRI ARJUN MUNDA)

(a) to (c): Government of India is implementing a comprehensive range of schemes to address diverse facets of agriculture, encompassing challenges such as climate change and market fluctuations. These initiatives are designed to yield benefits for all farmers, with a particular focus on the welfare of small and marginal farmers across the agriculture and allied sectors. Efforts of the Government at positive implementation of these schemes have yielded remarkable results towards augmenting the income of the farmers. As part of the 'Azadi ka Amrit Mahotsav', Indian Council of Agricultural Research (ICAR) has released a book, which contains compilation of success stories of 75,000 farmers out of innumerable successful farmers who have increased their income more than two times. Details of allocation and utilization of major schemes of Department of Agriculture and Farmers Welfare during the last 5 years are given in the **Annexure**.
