2214 SHRI SANDOSH KUMAR P:  
SHRI SANT BALBIR SINGH:

- (b) whether there is any plan to increase this amount in view of rising inflation, if so, the details thereof, and if not, the reasons therefor; and
- (c) whether there is any future plan of Government to further extend the employment period of 100 days for MGNREGA workers, if so, by when it will be implemented?

**ANSWER**

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT  
(SHRI KAMLESH PASWAN)

(a): The Mahatma Gandhi National Rural Employment Guarantee Act (Mahatma Gandhi NREGA), 2005, is an Act to provide for the enhancement of livelihood security of the households in rural areas of the country by providing at least one hundred days of guaranteed wage employment in every financial year to every household whose adult members volunteer to do unskilled manual work.

Implemented by the Ministry of Rural Development on 2nd February 2006, this Act initially covered 200 most backward districts of the country. It was implemented in an additional 130 districts in Phase II, during 2007-2008. The Act was notified in the remaining rural districts of the country from April 1, 2008 in Phase III.

The amount/wage given to workers under Mahatma Gandhi NREGA and the number of years it has been implemented varies from state to state.

State/UT-wise details of fund released for the wage component under Mahatma Gandhi NREGS in the last five financial years 2019-20 to current financial year 2024-25 (as on 06.08.2024) are given at Annexure-I.

(b): As per Section 6 (1) of the Act, the Central Government specifies wage rates for its beneficiaries. These rates are determined using the Consumer Price Index for Agricultural Labour (CPI-AL). In order to compensate the Mahatma Gandhi beneficiaries against inflation, the Ministry of Rural Development revises wage rates annually based on changes in the CPI-AL, with each State/UT having the option to provide wages higher than the rates notified by the Central Government. State/UT-wise wage rates for unskilled workers under Mahatma Gandhi NREGS from the Financial Year 2019-20 to the current FY 2024-25 are at Annexure-II. There is no plan to change the indexation formula used for fixing the wages of the Mahatma Gandhi workers.

(c): There is no plan to increase the minimum guaranteed days in a year to the workers under the Mahatma Gandhi NREGS. However, the Ministry mandates the provision of an additional 50 days of wage employment (beyond the stipulated 100 days) to every Scheduled Tribe Household in a forest area, provided that these households have no other private property except for the land rights provided under the Forest Rights Act (FRA), 2006.

In addition to this, there is a provision for up to an additional 50 days of wage employment in a financial year in drought/natural calamity-affected notified rural areas.

Further, as per Section 3 (4) of Mahatma Gandhi National Rural Employment Guarantee Act, 2005, the State Governments may make provision for providing additional days of employment beyond the period guaranteed under the Act from their own funds.
