ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SUSHRI SHOBHA KARANDLAJE)**

(a) & (b): Yes, the medical services, which are not available in the medical institutions run by the Employees' State Insurance Corporation (ESIC) or by the states under ESI Scheme (ESIS), are provided to ESI beneficiaries in a cashless manner through tie-up arrangements with the government/private hospitals, including Pradhan Mantri Jan Arogya Yojana (PMJAY) empanelled hospitals and Insured Medical Practitioners (IMPs) across the country. At present, there are such 2836 tie up hospitals and 869 IMPs. ESIC also has tie-up arrangements with 4370 PMJAY empanelled hospitals in 157 districts of the country.
