

**GOVERNMENT OF INDIA  
MINISTRY OF HOME AFFAIRS**

**RAJYA SABHA  
UNSTARRED QUESTION NO. 1036**

**TO BE ANSWERED ON THE 31<sup>ST</sup> JULY, 2024/ SRAVANA 9, 1946 (SAKA)**

**HEATWAVE AS A NATIONAL DISASTER**

**1036        SHRI DEREK O' BRIEN:  
              SHRI MOHAMMED NADIMUL HAQUE:**

**Will the Minister of HOME AFFAIRS be pleased to state:**

- (a) whether Government proposes to enumerate the total number of deaths due to heatwave in the last five years;**
- (b) whether Government proposes to declare heatwave as a national disaster to provide necessary relief work and compensation in case of deaths; and**
- (c) if so, the details thereof and if not, the reasons therefor?**

**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS  
(SHRI NITYANAND RAI)**

**(a): This Ministry does not maintain any data, centrally on the number of deaths caused by various disasters. However, details of deaths due to Heat/Sun stroke during 2018-2022, as furnished by the State/Union Territories to the National Crime Records Bureau (NCRB) is given at Annexure-I.**

**(b) & (c): The list of 12 notified natural calamities in the guidelines issued by the Government for Constitution and Administration of State Disaster Response Fund (SDRF)/ National Disaster Response Fund (NDRF) for relief assistance, is based on the recommendations of the successive Finance Commissions. These natural calamities are cyclone, drought, earthquake, fire, flood, tsunami, hailstorm, landslides, avalanche, cloudburst, pest attack and frost & cold wave.**

**The issue of inclusion of a number of calamities in the eligible list of calamities for funding support from SDRF/ NDRF, like its predecessors, had been considered by the 15th Finance Commission. The Commission, was of the view that most of the calamities suggested by the States for inclusion in the list of notified calamities are State-specific or region- specific and can be difficult to quantify, as the scale of severity would vary from region to region. The Commission, inter-alia, had observed that the list of notified disasters eligible for funding from SDRF and NDRF covers the needs of the States to a large extent and thus did not find much merit in the request to expand its scope.**

**R.S.US.Q.NO. 1036 FOR 31.07.2024**

**However, considering the need for flexibility, the guidelines on SDRF provides that a State Government may use upto 10% of the annual allocation of SDRF for providing relief to the victims of natural disasters that they considers to be disasters within the local context in the State and which are not included in the notified list of disasters eligible for assistance from SDRF/ NDRF. As per approved norms, an ex-gratia of Rs. 4.00 lakh is provided to the next-of-kin of a person who die due to notified disaster, including a State notified local disaster of heatwave.**
