GOVERNMENT OF INDIA MINISTRY OF PANCHAYATI RAJ RAJYA SABHA UNSTARBED OUESTION NO. 104

UNSTARRED QUESTION NO. 1041

ANSWER DATE 31.07.2024

SURVEY AND MAPPING WITH IMPROVISED TECHNOLOGY

1041. DR. MEDHA VISHRAM KULKARNI:

Will the Minister of Panchayati Raj be pleased to State:

- (a) whether the Swamitva Yojana aims to provide digital ownership records and property verification solutions for rural areas, if so, the details thereof;
- (b) whether all villages in the country are expected to be covered under the scheme by 2024, if so, the details thereof, State-wise; and
- (c) whether any challenges are being faced during the implementation of the Swamitva Yojana, especially related to technology adoption and community participation, if so, the details thereof?

ANSWER

THE MINISTER OF STATE FOR PANCHAYATI RAJ

(PROF. S. P. SINGH BAGHEL)

- (a) The Central Sector Scheme "SVAMITVA" aims to provide the 'Record of Rights' to household owners possessing houses in inhabited areas (Abadi) in villages with issuance of legal ownership rights (Property cards/Title deeds). Under the scheme, the land parcels in rural inhabited area of all the villages of the country are surveyed using drone technology. It is being implemented with the collaborative efforts of the Ministry of Panchayati Raj, State Revenue Department, State Panchayati Raj Department and Survey of India (SoI). States need to sign Memorandum of Understanding (MoU) with SoI for implementation of the scheme.
- (b) So far, 31 States/UTs have signed MoU with SoI for implementation of SVAMITVA Scheme (details annexed at **Annexure-I**). Out of a total 3.44 lakh notified villages to be covered in these States/UTs, drone survey has been completed in 3.12 lakh villages and 2.03 crores property cards have been prepared in 1.30 lakh villages. The State-wise status is attached at **Annexure II**.
- (c) Survey of rural land in India for settlement and record of rights has been done from time to time. However, Abadi (inhabited) areas of villages were never surveyed in many States. In the absence of accurate land records and clear ownership, State Revenue Department lacked land records of rural Abadi. Rural property owners lacked means to utilize their residential assets for availing bank loans and rural land was prone to property related disputes.

During the implementation of SVAMITVA Scheme, few challenges related to technology adoption and awareness generation were observed. Several States did not have online system for updating and recording Abadi land ownership. Revenue staff was not trained for using online applications for updating maps. Citizens were not aware of the benefits of SVAMITVA Scheme. However, the challenges were addressed actively through:

- i. Gram Sabha is to be conducted for creating awareness at the Panchayat level. Thereafter, land survey is undertaken using survey grade drones.
- ii. For creation of records, a participatory approach was adopted for property demarcation and ground verification.
- iii. Most State revenue departments have devised online systems for the implementation of the scheme, viz., ground verification of maps, notification of claims and preparation of property cards.
- iv. Upon finalization of property details, property cards are created and provided to property owners directly through Digilocker application. Madhya Pradesh has also created online portal for storage and updating records wherein Banks are also able to login to create charge on property.
- v. In some States, individual notices are issued to property owners before finalization of Property Card
- vi. SMSs were sent to MPs and MLAs for to notify the start of Svamitva implementation in their respective constituencies.
- vii. Training is regularly provided to the State Revenue Department officials

Annexure I

Annexure referred to in reply to part (b) of the Rajya Sabha Unstarred Question No. 1041 answered on 31.07.2024 regarding 'Survey and Mapping with Improvised Technology'.

State-wise status of MoU between State and Survey of India under the SVAMITVA scheme
