MSME CLUSTER DEVELOPMENT PROGRAMME

744. DR. V. SIVADASAN:

Will the Minister of MICRO, SMALL AND MEDIUM ENTERPRISES be pleased to state:-

- (a) the number of clusters developed under the (MSMEs) cluster development programme, State wise details for the last three years;
- (b) the details of the turnover and production within each of these clusters during last three years, State-wise; and
- (c) the details of number of clusters which are non-functional, State wise for the last three years?

ANSWER

MINISTER OF MICRO, SMALL AND MEDIUM ENTERPRISES
(SHRI JITAN RAM MANJHI)

- (a): The Ministry implements Micro and Small Enterprises-Cluster Development Programme (MSE-CDP) for the development of clusters across country for creation of tangible 'assets' i.e. Common Facility Centres (CFCs) to address the common issues such as improvement of technology, skills, quality etc. for micro and small enterprises. 18 projects of Common Facility Centers in various clusters have been developed /completed all over country during the last three years (i.e. financial year 2021-22 to 2023-24). The State-wise details are enclosed (**Annexure**).
- (b): As per the report of Evaluation Study of MSE-CDP conducted by the National Productivity Council, the scheme has been able to strengthen and improve the efficiency of the value chain of the units in the cluster resulting into overall productivity growth of around 10-15% and growth in turnover in the range of 20-30%.
- (c): No CFC has been reported as non-functional during the last three years.
