ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (d) The proposals for construction of 2 Nos. of six lane flyovers in Khairwara town was sanctioned as a part of six laning of this section of NH-48. However, due to demand of public/public representatives for construction of elevated highway in Khairwara town, construction of these flyovers was de-scoped from the work. For the assessment of the techno-economic feasibility of Elevated Structure or Bypass on NH-48 near Khairwara town, the bids for the appointment of DPR Consultant have been received. The work can be taken based on projected traffic, techno-economic feasibility, availability of resources and inter se priority.
