ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI BANDI SANJAY KUMAR)**

(a) to (e) :

‘Police’ and ‘Public Order’ are State subjects as per the Seventh Schedule of the Constitution of India. The States/UTs are primarily responsible for the prevention, detection, investigation and prosecution of crimes including cyber crime through their Law Enforcement Agencies (LEAs). The Central Government supplements the initiatives of the

States/UTs through advisories and financial assistance under various schemes for capacity building of their LEAs.

To strengthen the mechanism to deal with cyber crimes in a comprehensive and coordinated manner, the Central Government has taken steps for spreading awareness about cyber crimes, issuance of alerts/ advisories, capacity building/training of law enforcement personnel/ prosecutors/judicial officers, improving cyber forensic facilities, etc. The Government has set up the 'Indian Cyber Crime Coordination Centre' (I4C) as an attached office to deal with all types of cyber crime in the country, in a coordinated and comprehensive manner.

The National Crime Records Bureau (NCRB) compiles and publishes the statistical data on crimes in its publication "Crime in India". The latest published report is for the year 2022. As per the data published by the NCRB, State/UT wise details of cases registered under cyber crimes (involving communication devices as medium/target) during the period from 2018 to 2022 are at Annexure.

The 'National Cyber Crime Reporting Portal' (<https://cybercrime.gov.in>) has been launched, as a part of the I4C, to enable public to report incidents

pertaining to all types of cyber crimes, with special focus on cyber crimes against women and children. Cyber crime incidents reported on this portal, their conversion into FIRs and subsequent action thereon are handled by the State/UT Law Enforcement Agencies concerned as per the provisions of the law. Around 6.56 lakh incidents have been reported on this portal in the first four month of current year.

The ‘Citizen Financial Cyber Fraud Reporting and Management System’, under I4C, has been launched in year 2021 for immediate reporting of financial frauds and to stop siphoning off funds by the fraudsters. So far, financial amount of more than Rs. 2400 Crore has been saved in more than 7.6 lakh complaints. A toll-free Helpline number ‘1930’ has been operationalized to provide assistance in lodging online cyber complaints.
