(d) : Department of Consumer Affairs regularly interacts with stakeholders including State Governments, Industry Associations, Consumer Organisations, Consumer Law experts through regional workshops, meetings, conferences etc. Department of Consumer Affairs also organises panel discussions during National Consumer Day and World Consumer Rights Day to discuss consumer related issues.

The e-Daakhil portal has been launched in 35 States/UTs to provide facility to aggrieved consumers to register online consumer complaints in different Consumer Commissions from anywhere in India.

Further, Video Conferencing facility has been provided in Consumer Commissions at National and State level considering the geographical spread of consumer commissions and the difficulties faced by consumers in attending hearings due to distance, time and cost implications. This initiative is in sync with the digital transformation of the Indian legal system bringing the justice at the doorstep of the consumer.

Consumer Commissions also take benefits of the National Lok Adalats, organized by the National Legal Services Authority, to provide quick settlement of consumer disputes by bringing together disputing parties in a more informal and conciliatory setting. Programs like Grahak Madhyasthata Samadhan further enhance these efforts by offering structured platforms for mediation, thereby ensuring that consumer grievances are addressed promptly and efficiently.
