# GOVERNMENT OF INDIA MINISTRY OF COMMERCE & INDUSTRY (DEPARTMENT OF COMMERCE)

### RAJYA SABHA UNSTARRED QUESTION NO. 1325

ANSWERED ON 02/08/2024

#### **EXPORT OF MARINE PRODUCTS**

#### 1325. SMT. PHULO DEVI NETAM:

Will the Minister of COMMERCE & INDUSTRY be pleased to state:

- (a) the total production and total export of marine products in the past five years, year-wise;
- (b) whether Government has set any target for exports of marine product in the next two years; and
- (c) if so, the measures being taken by Government to achieve these targets?

#### **ANSWER**

## THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI JITIN PRASADA)

(a) The total production and total export of marine products in the past five years, year-wise, are given in the table below:-

Year	Production (In Lakh Tonnes)	Export (In Lakh Tonnes)
2019-20	141.64	13.29
2020-21	147.25	11.68
2021-22	162.48	13.98
2022-23	175.45	17.54
2023-24	182.70**	18.19

Source: DGCIS, and Department of Fisheries, GoI

**(b) and (c)** The Government regularly monitors and reviews export performance, including that of marine products, along with export promotion bodies and the Indian missions abroad with the objective of enhancing exports vis-a-vis previous year. Internal targets are used for monitoring purpose only, and have been fixed at USD 7.86 billion for 2024-25.

<sup>\*\*</sup> Projected

The Government through Marine Products Export Development Authority (MPEDA), a statutory organization under administrative control of Department of Commerce provides assistance for upgrading the infrastructure facilities for value addition, establishing testing laboratories, participating in international trade fairs, and providing technical assistance for aquaculture production meant for exports, etc.

The reduction in import duties on various ingredients /inputs for manufacture of prawn and shrimp feed/fish feed announced in Budget 2024-25 will make Indian seafood-based value-added products more competitive in international markets and help in increase of exports. The reduction of import duties include from 15% to Nil on Fish lipid Oil (HS 1504 20) & Algal prime (flour) (HS 2102 2000), from 5 % to Nil on Krill meal (HS 2301 20), Mineral and Vitamin Premixes (HS 2309 90 90), from 30% to Nil on Crude Fish Oil, from 15% to 5% on Prawn and shrimps feed (2309 90 31) and fish feed (2309 90 39), from 30% to Nil on pre-dust breaded powder.

The Government has also increased the Remission of Duties and Taxes on Export Products (RoDTEP) from 2.5% to 3.1% for various seafood products and with maximum value cap per kg increased to Rs. 69.00, which will also encourage export of such products.

Furthermore, the Department of Fisheries, Govt. of India is implementing flagship scheme namely Pradhan Mantri Matsya Sampada Yojana (PMMSY) with an investment of ₹20050 crore in fisheries sector for a period of 5 years i.e. FY 2020-21 to FY 2024-25 with an objective of promoting exports from the fisheries sector. The scheme intends to address critical gaps in fish production and productivity, quality of catch/harvests, technology infusion, post-harvest infrastructure, modernization and strengthening of value chain, reduction of post harvest losses, traceability etc. Since 2020-21, the Department of Fisheries, Government of India has approved proposals to the tune of Rs. 1283.47 crore for development of cold chain infrastructure under PMMSY which includes construction of 586 cold storages, modernization of 78 cold storages/ice plants and 26588 post-harvest transportation facilities.

As a result of the efforts made, India's seafood exports increased from Rs. 46,662.85 Crore in 2019-20 to Rs. 61043.68 Crore in 2023-24 registering a growth rate of 30.81%.
