ANSWER

THE MINISTER OF STATE FOR TEXTILES
(SHRI PABITRA MARGHERITA)

(a): The Government has approved setting up of 7 (Seven) PM Mega Integrated Textile Region and Apparel (PM MITRA) Parks in Greenfield/Brownfield sites with world class infrastructure including plug and play facility with an outlay of Rs. 4,445 crores for a period of seven years upto 2027-28. The Government has finalized 7 sites viz. Tamil Nadu (Virudhnagar), Telangana (Warangal), Gujarat (Navsari), Karnataka (Kalaburagi), Madhya Pradesh (Dhar), Uttar Pradesh (Lucknow), Maharashtra (Amravati) for setting up of PM MITRA Parks. No proposal for establishment of Textile Park under PM MITRA from the state of Jharkhand was received in the Ministry.

(b) & (c): Once completed, it is envisaged that each park will attract investment of nearly Rs.10,000 crores which in turn will lead to generation of nearly 1 lakh direct and 2 lakh indirect jobs per park. These Textile Parks are envisaged to develop integrated large scale and modern industrial infrastructure where every segment of the textile value chain such as spinning, weaving, knitting, processing, garmenting etc., will be co-located and will give a major boost to employment generation.
