Statement referred in reply to Part (a) to (d) of Rajya Sabha Starred Ques. No. 11 regarding "Technical problems in aircrafts" to be answered on 22.07.2024.

(a) & (b): During the last two years i.e. 2022 & 2023 and current year (till date), there have been total 14 incidents of emergency landings due to technical problems. Aircraft wise details are attached as Annexure A.

(c) & (d): Presently there is no shortage of trained engineers and modern equipment in the civil aviation sector / aviation industry in the country.
