GOVERNMENT OF INDIA
MINISTRY OF CIVIL AVIATION
RAJYA SABHA
UNSTARRED QUESTION NO : 1457
(TO BE ANSWERED ON THE 5th August 2024)

SCHEME TO OPERATE THE AIRPORTS WITH RENEWABLE ENERGY

1457.   SMT GEETA ALIAS CHANDRAPRABHA

Will the Minister of CIVIL AVIATION be pleased to state:-

(a) whether there is any plan to operate the airports in the country with renewable energy;
(b) if so, details of the scheme;
(c) the airports in the country that have been selected under the scheme;
(d) whether any airport from Uttar Pradesh has been selected under this scheme; and
(e) time-frame set for achieving the targets of this scheme and the details thereof?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF CIVIL AVIATION

 (Shri Murlidhar Mohol)

(a) to (e): Ministry of Civil Aviation has advised all the operational airports with scheduled operations and developers of the upcoming Greenfield Airports to work towards achieving Carbon Neutrality & Net Zero which inter-alia includes use of green energy. The airport operators including Airports Authority of India (AAI) have installed solar power plants at various locations/Airports for generation and self-consumption of green and renewable energy to encourage green energy usage at the airports. In addition, few airports are also procuring green energy through open access.

As of now, a total of 73 airports in the country, including in Uttar Pradesh, are using green energy where share of green energy in airport's total energy consumption is 100%. List of these airports is at Annexure.
