**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI PRATAPRAO JADHAV)**

(a): As on 30.06.2024, the State/UT-wise and financial year-wise details of total number of beneficiaries who have received treatment under Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) since its inception are at **Annexure-I**.

AB-PMJAY is implemented in 33 States/UTs where thousands of health care procedures (ranging from 1393 to 1949 as per the State specific package master) are offered to the beneficiaries in the empanelled hospitals. Since a beneficiary may have undergone multiple procedures during one hospitalisation and beneficiaries of chronic diseases may require multiple episodes like dialysis, chemotherapy etc. for the same treatment, specialty-wise data is used for monitoring purposes. Specialty-wise details of authorized hospital admissions under the scheme for top 20 specialties are at **Annexure-II**.

(b): As on 30.06.2024, approximately 34.7 crore Ayushman cards have been created under the scheme. State/UT-wise and financial year-wise details of number of Ayushman cards created are at **Annexure-III**.

(c): State/UT-wise and financial year-wise details of total expenditure incurred towards the treatment of beneficiaries of this programme since its inception till date are at **Annexure-IV**.

(d): The utilization of the scheme has significantly increased over the years.
