- (b) the view of Government on the role of YouTube in enhancing public awareness and knowledge about the Civil Aviation sector; and
- (c) specific challenges in the aviation industry that can be addressed in collaboration with Google with regard to aviation-related startups in particular?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF CIVIL AVIATION

(Shri Murlidhar Mohol)

(a) to (c): There has been no meeting with heads of YouTube and Google. However, meetings are held with various IT experts and companies from time to time to enable adoption of suitable IT tools and social media platforms for improving aviation and enhancing public awareness.
