

GOVERNMENT OF INDIA  
MINISTRY OF PETROLEUM AND NATURAL GAS  
**RAJYA SABHA**  
**UNSTARRED QUESTION NO.- 138**  
ANSWERED ON 25/11/2024

**TARGET OF PRADHAN MANTRI UJJWALA YOJANA**

138 SHRI BABUBHAI JESANGBHAI DESAI:  
DR. MEDHA VISHRAM KULKARNI:  
DR. KALPANA SAINI:

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

- (a) whether the Government has taken any special measures to achieve its target of extending the benefits of Pradhan Mantri Ujjwala Yojana to 103.5 million families by 2025-26, if so, the details thereof; and
- (b) the details of the steps taken by the Government to address the challenges of reaching rural areas?

**ANSWER**

MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS  
(SHRI SURESH GOPI)

(a): Pradhan Mantri Ujjwala Yojana (PMUY) was launched on 01.05.2016 to release deposit free LPG connection in the name of adult woman member of poor households across the country. The target to release 8 crore connections under PMUY Phase-I was achieved in September, 2019. To cover the remaining poor households, PMUY Phase-2 (Ujjwala 2.0) was launched in August 2021 with a target to release 1 crore additional PMUY connections, which was achieved in January 2022. Subsequently, the Government decided to release 60 lakh more LPG connections under Ujjwala 2.0 and as on 01.01.2023, the target of 1.60 crore Ujjwala 2.0 connections has already been achieved. Further government approved release of additional 75 lakh connections under PMUY Scheme for the period FY 2023-24 to 2025-26 which has already been achieved in July 2024. As on 01.11.2024, there are 10.33 crore LPG connections under PMUY.

(b): In order to improve access to LPG in rural areas in the country, various steps have been taken inter alia, including organizing campaigns for promotion of PMUY, organizing melas/camps to enroll and distribute connections, promotion through Out of Home (OOH) hoardings, radio jingles, Information, Education and Communication (IEC) Vans etc., spreading

awareness about advantages of using LPG over other conventional fuels and safe usage of LPG through LPG Panchayats, enrolment/awareness camps under Viksit Bharat Sankalp Yatra, facilitation of consumers and their families for Aadhar enrolment and opening of bank accounts for getting PMUY connections, simplification of process of getting LPG connection, online application for PMUY connection at [www.pmuy.gov.in](http://www.pmuy.gov.in), nearest LPG distributors, Common Service Centres (CSC) etc., option of 5 Kg Double Bottle Connection (DBC), swap option from 14.2 Kg to 5 Kg, provision for Migrant Families to avail new connection on Self-Declaration instead of Proof of Address and Ration Card. Further, OMCs are continuously commissioning new LPG Distributorships, especially in rural areas. Since the launch of PMUY scheme, OMCs have commissioned 7944 Distributorships (commissioned during 01.04.2016 to 31.10.2024) across the country, out of which 7361 (i.e. 93 %) are catering to rural areas. As a result of these efforts, the per capita consumption (in terms of 14.2 Kg domestic LPG cylinders) for PMUY beneficiaries has improved from 3.01 refills per year in 2019-20 to 4.34 refills per year based on consumption till Oct-24. Further, LPG coverage in the country has improved from 62% in April 2016 to near saturation now.
