

GOVERNMENT OF INDIA  
MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE

**RAJYA SABHA**  
**UNSTARRED QUESTION NO.2767**  
**TO BE ANSWERED ON 19.12.2024**

**Utilisation of CAMPA funds**

2767 SHRI NIRANJAN BISHI:  
DR. SASMIT PATRA:

Will the Minister of ENVIRONMENT, FOREST AND CLIMATE CHANGE be pleased to state:

- (a) the total Compensatory Afforestation Fund Management and Planning Authority (CAMPA) funds provided to States during the last three years, State-wise;
- (b) the best States to utilise CAMPA fund as per utilization certificate;
- (c) the measures taken against those States that are not utilising CAMPA fund properly;
- (d) whether there is any assessment or impact study on CAMPA funds given to States; and
- (e) if so, the details thereof?

**ANSWER**

MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE  
(SHRI KIRTI VARDHAN SINGH)

- (a) & (b) The Compensatory Afforestation Fund (CAF) is utilized in accordance with the provisions of the Compensatory Afforestation Fund Act, 2016 (CAF Act, 2016) and the Rules thereunder. State CAMPA funds available with the concerned State Government/ Union Territory Administration (UT) are utilised for afforestation and other activities approved in their Annual Plan of Operation (APO) by National Compensatory Afforestation Fund Management & Planning Authority (National CAMPA). The details of fund released by the respective State/UT Government and utilised by the Forest Department of respective States/ Union Territories over the past three years are attached as **Annexure-I**.
- (c) The State /Union Territory CAMPA are statutory authorities and as per the CAF Act, 2016 they have built-in mechanism to oversee utilisation of CAMPA Fund, and to take corrective measures if any, needed to optimise utilisation of CAMPA Funds duly approved by National CAMPA. Additionally, regular directions to expedite the utilisation of funds by States/UTs are issued in various meeting, advisories, etc. Funds are released based on the timely submission of Utilisation Certificates (UCs) for previously received funds. This system helps monitor the efficient and transparent use of allocated funds. In addition, the National Authority has provided funds to State/UT Governments from National CAMPA Fund for implementation of schemes of Nagar Van Yojana, School Nursery Yojana, Mangrove Initiative for Shoreline Habitats & Tangible Incomes (MISHTI) etc. The details of fund released by the National Authority is enclosed at **Annexure-II (i), (ii) & (iii)** respectively.

(d) & (e) The objectives of the Compensatory Afforestation Fund Act, 2016 are to ecologically restore degraded forest land or/ and non-forest land through compensatory afforestation and assisted natural regeneration, enabling it to evolve into the representative forest type of the area over a period of time. Protection and improvement measures are taken until the plantations are fully established. Third-party monitoring is conducted periodically by the States and UTs. Forest Survey of India also monitors afforestation efforts through the e-Greenwatch portal. The e-Greenwatch portal developed by the Forest Survey of India is an online platform for monitoring and assessing the green cover of India. It provides real time data on forest health, deforestation and afforestation activities through satellite imagery and geographic information system (GIS).
