ANGANWADI-CUM-CRÈCHE CENTRE

1914. DR. KALPANA SAINI:
SHRI MAYANKBHAI JAYDEVBHAI NAYAK:

Will the Minister of Women and Child Development be pleased to state:

- (a) the manner in which the initiative to set up Anganwadi-cum-Crèche Centres by 2029 would contribute to early childhood care and education;
- (b) the manner in which the participation of women workforce is expected to increase across the country owing to this; and
- (c) the services provided by Anganwadi-cum-Crèche Centres to support child development and education of young children?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT
(SHRIMATI SAVITRI THAKUR)

(a) to (c): The Government's sustained initiatives on education, skilling and employment of women has resulted in increased opportunities for their employment, and more and more women are now in gainful employment, working within or outside their homes. Growing industrialization and urbanisation have also led to increased migration into the cities. Past few decades have shown a rapid increase in nuclear families. Thus, the children of such working women, who were earlier getting support from joint families while they were at work, are now in need of day care services which have to provide quality care and protection for the children. Lack of quality and affordable day-care services is an obstacle for increased female workforce participation. Hence, there is an urgent need for improved quality and reach of day care services/crèches for working women amongst all socioeconomic groups both in the organized and unorganized sectors.

To address these difficulties faced by the working mothers in giving due child care and protection to their children, day-care crèche facilities are being provided through Palna scheme. Crèche services formalise the child care responsibilities hitherto considered as part of domestic work. Formalization of care work supports the "decent work campaign" to achieve the Sustainable Development Goal 8 – Decent work and economic growth. This will also enable

more mothers, who will be free from unpaid child-care responsibilities, to take up gainful employment.

Anganwadi centres are the world's largest childcare institutions dedicated to providing essential care and support to children ensuring delivery of care facilities till the last mile. In a first of its kind approach, Ministry has extended the services of childcare through Anganwadi cum Crèche (AWCC). This will ensure whole day childcare support ensuring their well-being in a safe and secure environment. Anganwadi cum Crèche initiative aims to increase 'women work force participation' in the economy. The objective of Palna is to provide quality crèche facility in safe and secure environment for children (from ages 6 months – 6 years), nutritional support, health and cognitive development of children, growth monitoring & immunization. Crèche facilities under Palna are provided to all mothers, irrespective of their employment status.
