**ANSWER**

MINISTER OF STATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES  
(SUSHRI SHOBHA KARANDLAJE)

- (a) & (b): The Government of Maharashtra has undertaken various measures to support and enhance the competitiveness of MSME which inter alia includes, Business Reform Action Plan (BRAP), Ease of Doing Business (EoDB), District Investors Summits, MAITRI (Maharashtra Industries, Trade and Investment Facilitation Cell), Raising and Accelerating MSME Performance (RAMP), Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE), Micro and Small Enterprises-Cluster Development Programme (MSE-CDP), Prime Ministers Employment Generation Programme (PMEGP) and Chief Ministers Employment Generation Programme (CMEGP). The Ministry of MSME is in process of establishing of 03 Technology Centers (TCs) at Pune, Sindhudurg & Nagpur. This will support skill development, technological support to empower the MSME in domestic and global markets. Under the Electronic Manufacturing Cluster (EMC) Scheme 2.0 of the Ministry of Electronics and Information Technology, one cluster has been approved in the Pune district.
- (c): Department of Industries in collaboration with Maharashtra Centre for Entrepreneurship Development (MCED) is prioritizing skill development initiatives to address the issues of MSMEs and boost productivity in critical sectors. Through Technology Centers (TCs) & Extension Centres (ECs), specialized training are being designed for up-skilling of workers in MSMEs. The Department of Skill Development & Entrepreneurship has also taken initiatives in this regard. Accordingly, Maharashtra State Skill Development Society has been established to prioritize skill development.
