**BUDGETARY ALLOCATION TO STATES FOR DEVELOPMENT  
AND PROMOTION OF MSMEs**

2655. SMT. RAJANI ASHOKRAO PATIL:

Will the Minister of MICRO, SMALL AND MEDIUM ENTERPRISES be pleased to state:

- (a) the amount of budgetary allocations to each State for the development and promotion of Micro, Small and Medium Enterprises (MSMEs) during the last five year;
- (b) steps that are being taken by Government to improve financial relations with States regarding the access to credit and market linkages for MSMEs; and
- (c) the details of financial aid provided to States for the creation of MSMEs clusters and industrial parks during the last five years in the State of Maharashtra?

**ANSWER**

MINISTER OF STATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES  
(SUSHRI SHOBHA KARANDLAJE)

(a): All schemes being implemented by the Ministry of Micro, Small and Medium Enterprises (MoMSME) are Central Sector Schemes. Therefore, no State-wise budget allocation is made for the development and promotion of Micro, Small and Medium Enterprises (MSMEs).

(b): The Ministry of MSME launched a World Bank supported Central Sector Scheme "Raising and Accelerating MSME Performance"(RAMP), on 30<sup>th</sup> June, 2022 with a budget outlay of Rs.6062.45 crore. The programme aims at strengthening Institutions and governance at the Centre and State-level, improving Centre-State linkages and partnerships, improving access to market and credit, addressing issues of delayed payments and greening and of MSMEs and promoting guarantees to women entrepreneurs. In addition to building the MoMSME's capacity at the national level, the RAMP program aims to scale up implementation capacity and MSME coverage in the States, and enhance outreach of existing schemes of the Ministry. An Important component of RAMP is preparation of Strategic Investment Plans (SIPs). All States/UTs have evinced interest to participate in the RAMP Programme. The SIPs include a plan for identification of key constraints and gaps, set milestones and project the required budgets for interventions in priority sectors including renewable energy, rural and non-farm business, village and cottage industries, women enterprises etc. Thus far, 34 States/UTs have prepared and submitted SIPs to the Ministry a total grant of Rs. 3146 Cr towards projects contained in the SIPs has been approved.

(c): Ministry of MSME implements two Schemes (i) Micro and Small Enterprises-Cluster Development Programme (MSE-CDP) and (ii) Scheme of Fund for Regeneration of Traditional Industries (SFURTI) for promotion of MSME clusters.

MSE-CDP is a demand driven scheme and the Ministry receives proposals from State Governments based on their need. During the last five years, financial aid of Rs. 719.49 Cr was provided to States/UTs and financial aid of Rs. 143.05 Cr was provided to the State of Maharashtra.

Under SFURTI, the funds are provided in the form of Government of India (GoI) assistance for approved clusters across various districts in India. During the last five years, a total GoI assistance of Rs. 1141.44Cr has been given for approved clusters to States for the creation of MSMEs clusters (Details at *Annexure-I*) and Rs.62.24 Cr for the 23 clusters approved in the state of Maharashtra (Details at *Annexure-II*).
