ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SUSHRI SHOBHA KARANDLAJE)**

(a) to (c) The National Career Service (NCS) Portal is a one-stop solution for providing career related services including jobs from private and government sectors, information on online & offline job fairs, job search & matching, career counselling, vocational guidance, information on skill development courses, skill/training programmes etc. through a digital platform [www.ncs.gov.in] to all stakeholders across the country.

The Ministry has signed partnership agreement with several private job portals like Quikr, Foundit, Quess Corp, Teamlease etc. and companies like Cygnus Medicare Pvt Ltd, TMI group and Amazon India etc. for providing opportunity for the job seekers. The vacancies available in these portals are also made available on NCS portal through the integrations.

NCS portal is integrated with Skill India Digital Hub (SIDH) that is specially designed and developed to skill, reskill and upskill individuals through an online training platform for jobs and entrepreneurial opportunities. The integration of NCS Portal with SIDH has paved the way for the skilled jobseekers (employed/unemployed) on SIDH to avail the benefits of NCS Portal and the jobseekers (employed/unemployed) to avail the skilling services offered by SIDH. Also, the NCS portal has integrated with Government portals such as Udyam, e-Shram, Skill India portal, EPFO, ESIC, MHRD, DigiLocker and employment portals of various States; linkages with Government recruitment bodies like Union Public Service Commission, Staff Selection Commission, Agricultural Scientists Recruitment Board, Railway Recruitment Boards etc. for making available scores of non-recommended candidates to other employers to enable them to identify employable candidates.
