COCONUT OIL AND COCONUT MILK PROCESSING PLANT IN ODISHA

562. DR. SASMIT PATRA:

Will the Minister of *FOOD PROCESSING INDUSTRIES* be pleased to state:

- (a) Whether Government plans to set up coconut oil and coconut milk processing plants in Odisha;
- (b) the steps taken by Government to promote coconut-based industries in Odisha, including the establishment of processing units and providing financial assistance to farmers and entrepreneurs in the region; and
- (c) whether Government has any plans to support Odisha's coconut industry through schemes in order to increase exports and create employment opportunities in rural areas?

ANSWER

THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES
(SHRI RAVNEET SINGH)

(a) to (c): In order to promote food processing sector including coconut processing industries across the country alongwith the state of Odisha, Ministry of Food Processing Industries (MoFPI) has been incentivizing setting up/expansion of related infrastructure through its Central Sector schemes namely Pradhan Mantri Kisan SAMPADA Yojana (PMKSY) Scheme, Production Linked Incentive Scheme for Food Processing Industry (PLISFPI) and Centrally Sponsored – Pradhan Mantri Formalization of Micro Food Processing Enterprises (PMFME) Scheme across the country. These schemes are not region or state specific but demand driven. MoFPI does not set up food processing units on its own. However, it incentivizes setting up of these Industries through its schemes.

These schemes aim towards creation of modern infrastructure with efficient supply chain management from farm gate to retail outlet which includes storage, transportation, etc., thereby help in providing better returns to farmers and creating huge employment opportunities especially in the rural areas, increasing the processing level and enhancing the export of the processed foods.

Ministry extends financial support to prospective entrepreneurs for setting up of different kinds of food processing industries including processing of coconut oil & coconut milk, as per respective scheme guidelines.

MoFPI has sanctioned 2 Mega food Parks, 9 Cold Chain projects, 1 Agro-processing Clusters projects and 9 Food Processing Units under corresponding component schemes of PMKSY in Odisha State till 31st December, 2024.

A total of 1789 micro food processing enterprises have been approved for assistance under PMFME in Odisha State till 31st December, 2024.

So far, 5 food processing companies have been approved for assistance under various categories of the PLISFPI scheme in Odisha State.

The details of incentives available under these schemes are at **Annexure**.
