**ANSWER**

MINISTER OF RAILWAYS, INFORMATION & BROADCASTING AND  
ELECTRONICS & INFORMATION TECHNOLOGY

(SHRI ASHWINI VAISHNAW)

(a) to (d): Indian Railway Catering and Tourism Corporation (IRCTC) has provided the facility to book reserved tickets online saving passengers from the botheration of going to reservation counters to book the tickets thus saving travel time and transportation costs.

IRCTC incurs substantial expenditure on providing online ticketing facility and in order to defray the cost incurred in maintenance, upgradation and expansion of ticketing infrastructure, a convenience fee is levied by IRCTC. In addition customers also pay transaction charges to Banks.

The online ticket booking facility provided by IRCTC is one of the most passenger friendly initiatives of Indian Railways and at present more than 80% of the reserved tickets are booked online.
