THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND

(a): This Ministry had communicated to the States/Union Territories vide D.O. Letter P.16012/14/2017-TC dated 19.09.2017 to consider developing a mechanism to provide permission/authorization through Municipal Authority/Local Authority to retail shops who are selling tobacco products with a condition/provision in the authorization that the shops authorized for selling tobacco products, cannot sell any non-tobacco product such as toffees, candies, chips, biscuits, soft-drinks, etc., which are essentially meant for children.

(b) & (c): No such compliance report has been sought from the States/UTs, as the consideration comes under the purview of State/UT Government and Local Bodies.
