**ANSWER**

**THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS**

**(SMT. ANUPRIYA PATEL)**

(a) to (c): Yes, sir. The list of Jan Aushadhi Kendras (JAKs) is available in the public domain on the website of Pradhan Mantri Bhartiya Janaushadhi Pariyojana. As on 28.2.2025, there were 486 JAKs in the State of Rajasthan. District-wise details of the same are at Annexure and additional details may be accessed on Internet using the link <https://janaushadhi.gov.in/locate-kendra> and selecting Rajasthan as the State.

Government had set a target of opening, by March 2025, 15,000 JAKs across the country. The same has been achieved on 31.1.2025. Further, Government has set a target to open 25,000 JAKs by March 2027. There is no State-wise target for opening new JAKs.

Pradhan Mantri Bhartiya Janaushadhi Pariyojana has partnered with the cooperative sector to maximise the benefits of affordable medicines for citizens, including those in remote regions. As part of this initiative, Primary Agricultural Credit Societies (PACS) have been permitted to open JAKs across the country, helping to extend the scheme's benefits to both consumers and entrepreneurs interested in starting their own business.

(d): Under Pradhan Mantri Bhartiya Janaushadhi Pariyojana, 2,047 types of medicines and 300 surgical devices have been brought under the basket. The plan is to expand the product basket to 2,100 medicines and 310 surgical by 31.3.2025.
