ANSWER

THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES
(SHRI RAVNEET SINGH)

(a): The Ministry of Food Processing Industries (MoFPI) has been implementing a Central Sector Scheme-“Operation Greens” (OG) under Pradhan Mantri Kisan SAMPADA Yojana since 2018-19, with the objective of enhancing the value realisation of farmers and minimizing post-harvest losses. Further, in the budget speech of Union Budget 2021-22, the scope of long-term strategy i.e. Integrated Value Chain Development Projects & Standalone Post-Harvest Infrastructure Projects under the Operation Greens Scheme originally applicable to tomato, onion and potatoes (TOP) crops was enlarged to 22 perishable crops which includes 10 fruits, 11 vegetables and shrimp. Under the scheme, 44 projects have been approved across the country including one project in the state of Karnataka for eligible crops in identified production clusters with approved grants in aid of ₹ 545.11 crore for total project cost of ₹ 2102.54 crore. These projects have sanctioned processing and preservation capacity of 12.64 Lakh Metric Tons per annum. State-wise details of the projects sanctioned in the country including state of Karnataka under Operation Greens scheme are at **Annexure**.

(b): There is no such proposal to expand the Operation Greens scheme to include additional food products.

(c): During the formulation of PLISFPI, proactive steps were taken to align it with global best practices and market demands. The process involved active engagement with various stakeholders, including industry experts, large-scale manufacturers and SMEs, etc. An extensive consultative approach was adopted to gather inputs while formulating the scheme guidelines. This collaborative effort is continuing in the form of regular engagements with the stakeholders for ensuring continued relevance and effectiveness of the scheme guidelines.
