**ANSWER**

**THE MINISTER OF STATE FOR INFORMATION AND BROADCASTING AND  
PARLIAMENTARY AFFAIRS  
(DR. L. MURUGAN)**

(a) to (c): The Mahakumbh song had been launched by Doordarshan, to create awareness of the rich heritage and traditions associated with the Mahakumbh, which is one of the largest gatherings in the world. The aim was to promote the cultural and spiritual essence of the Mahakumbh Festival, highlight the unity and diversity of India's cultural fabric and serve as a medium to connect people globally with the festival's ethos.

The songs were played through various media platforms to highlight the festival's cultural significance to the country as well as to the global audience, encouraging cultural exchange and participation.

The plans are made for important cultural events on a case-to-case basis as per the programme requirements.
