

### **Demand for declaring Lianpui Village of Mizoram as National importance**

SHRI K. VANLALVENA (Mizoram): Mr. Deputy Chairman, Sir, here is a brief history of ancient Menhirs in Lianpui village. Lianpui village is located at the extreme Eastern corner of Mizoram, near Myanmar boundary. The village is in Champhai district with 156 household. The Archeologists from Regional Archeological Survey of India, Guwahati, identified the ancient Menhirs of Lianpui village as one of the important Menhirs in Mizoram. Due to the initiative taken by Regional Archaeological Survey of India, Guwahati, these ancient Menhirs are proposed to become 'National Importance'. On 9<sup>th</sup> February, 2021, the Ministry of Culture (Archaeological Survey of India) issued preliminary notification in the Gazette of India which contained notice of its intention to declare the said Menhirs to be of 'National Importance'. The notification also stipulated that any objections to such declaration may be made to the ASI within two months from the date of its issue. It appears that no objections were received within the stipulated time frame. The Regional Archaeological Survey of India, Guwahati, and the Archaeological Office, Mizoram, said that they have done the needful for declaration of it to be as 'National Importance'. The only need to do is just declaring and issuance of notification. So, I kindly request the Union Government to declare Lianpui village as 'National Importance'. Thank you, hon. Deputy Chairman, Sir.
