Dual pipeline system for Dwarka

2848. SHRI KARNENDU BHATTACHARJEE: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state :

- (a) whether the Delhi Development Authority is installing dual pipeline system for Dwarka sub city flats;
- (b) if so, the details thereof and the reasons therefor;
- (c) whether it is a fact that there is acute shortage of sweet water used for drinking purpose in Dwarka;
- (d) if so, the steps to augment the supply of water in the area; and
- (e) The steps proposed to be taken to ensure that no mixing of water to be supplied takes place in the two type of pipes?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI PON RADHAKRISHNAN): (a) and (b) The Delhi Development Authority has reported that dual pipeline system in the new houses in Dwarka Sub-city is being installed since Delhi Jal Board is not able to meet 100% requirement of water on account of non-release of raw water by the neighbouring States of Haryana and U.P. The water for drinking and cooking purposes will be supplied only in the kitchen while water for flushing, washing and other domestic purposes will be supplied in WC & bathroom through overhead tanks from tube-well sources.
