State Agricultural Universities

Chandra Shekhar Azad University of Agriculture Technology	Kanpur
Acharya Narendra Dev University of Agriculture and Technology	Faizabad
Sardar Vallabh Bhai Patel University of Agriculture and Technology	Modipuram, Meerut
Institute of Agriculture Banaras Hindu University	Varanasi

Improving Quality of Groundnuts

3164. SHRI PARMESHWAR KUMAR AGARWALLA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that India produces the maximum amount of groundnuts in the world;

(b) if so, whether, inspite of this, India's exports of groundnuts are negligible; and

(c) if so, what steps are being taken to improve the quality of groundnuts in the country?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV): (a) and (b) India is the second largest groundnut producing country in the World, but the export of groundnut is negligible.

(c) Efforts have been made to ameliorate aflatoxin contamination so that it does not become hindrance in export trade. Integrated aflatoxin contamination management packages have been developed and are evaluated under farmers conditions for their worthiness and adaptability.

Beside, Agricultural and Processed Food Products Export Development Authority (APEDA) provides financial assistance for the promotion of Groundnuts under the following activities :

- * Conducting feasibility studies, surveys etc.
- * Infrastructure Development.
- * Promotion of Quality Control.
