

[16 May, 2002]

RAJYA SABHA

bomb explosion etc.;

(c) whether Government have examined the proposal; and

(d) if so, Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI TAPAN SIKDAR):(a)to(c)YesSir.

(d) The Government, after examining the proposals given by CI I, have permitted setting up of independent hot sites to keep the operations on the case of disaster. These hot sites, would require to be registered as a hot site Call Centre. The Independent hot site provider will provide the infrastructure i.e. building, main server, agent positions, power plant, air conditioner etc. The various call centres desirous of availing hot site facility would provide, dedicated servers/routers at the hot site and necessary leased circuits.

Sankhya Vahini

5268. SHRI VIJAY J. DARDA: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether Government have decided not to proceed further with the proposal for setting up "Sankhya Vahini"; and

(b) if so, the reasons which have contributed to dropping of this proposal?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI TAPAN SIKDAR):(a)Yes, Sir.

(b) Sankhya Vahini project has been shelved in the wake of Carnegie Mellon University (CMU), Pittsburg, USA withdrawing from the project.

Opening of Telephone Exchanges in Villages of UP

5269. SHRI HARENDRA SINGH MALIK: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) the existing norms for opening of telephone exchange in a village;

(b) the number of telephone exchanges functioning in Uttar Pradesh at present proposed to be set up during the current financial year, district-wise;

(c) the number of villages in the State where telephone facility is available at present or proposed to be provided;

(d) by when the said facility is likely to be provided in the remaining villages;

(e) whether there are inadequate telephone and telecommunications facilities in rural areas in the State; and

(f) if so, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI TAPAN SIKDAR): (a) Normally a telephone exchange is planned to be opened in a village if there is a registered demand of 10 or more applicants. However, the same is under revision.

(b) The number of telephone exchanges functioning in Uttar Pradesh is 3117 and the number of telephone exchanges proposed to be set up during the current financial year is 65. The district-wise details are given in Statement-I & II (See below).

(c) The number of villages in the state where telephone facility is available at present is 90582 and the number of villages proposed to be provided with telephone facility in U.P. during 2002-03 is 6802.

(d) Telephone facility in the remaining villages is likely to be provided by December, 2002 subject to timely availability of equipment and funds.

(e) Yes, Sir. The tele-density in rural areas of Uttar Pradesh is lower than the national average.

(f) Telephone facilities are provided as per demand existing in the area. Usually greater economic and commercial activity generates more demand for telecommunication facilities.

Development of branded products services in IT Sector

5270. SHRI RUMANDALA RAMACHANDRAIAH: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state :

(a) whether the National Advisory Committee on Information Technology has drawn up a strategy for the Indian software industry to develop branded products and services as well as specialise in consultancy;

(b) if so, what were the other major decisions taken in the meeting held in the month of May, 2001; and

(c) to what extent a final strategy in this regard has been agreed upon?

THE MINISTER OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI PRAMOD MAHAJAN): (a) Yes, Sir.

(b) and (c) The Advisory Committee deliberated upon various critical
