

"The Council considered the letter of Shri R.L. Meena, Law Secretary, addressed to the Chairman, Bar Council of India requesting the Bar Council of India to send comments in the matter to enable the Department of Legal Affairs to offer its comments to the Department of Commerce. After consideration, the Bar Council of India has reiterated its earlier view on the issue of not permitting foreign lawyers and law firms in the country. The Bar Council of India once again strongly opposes the entry of foreign lawyers and its strong views are to be made known to the Ministry of Law and Justice and Company affairs. In this view, the Council has no other views to offer on the subject."

The Government has so far not taken any dissimilar view.
